### Brief Description of Argument to be Presented:

The cited references do not teach a plurality of transactions between the gateway and the server. Although Kadyk teaches a plurality of instructions, the plurality of instructions in Kadyk do not take place between the gateway and the server. Further, the instructions cannot be equated to transactions. We may amend claims to clarify this feature, if needed.

An interview was conducted on the above-identified application on \_\_\_\_\_.

**NOTE:** This form should be completed by applicant and submitted to the examiner in advance of the interview (see MPEP § 713.01).

This application will not be delayed from issue because of applicant's failure to submit a written record of this interview. Therefore, applicant is advised to file a statement of the substance of this interview (37 CFR 1.133(b)) as soon as possible.
